

9-10 November 2017
Ahoy Rotterdam, the Netherlands
Conference and Exhibition

In conjunction with Europort 2017
7-10 November 2017

SPONSORSHIP OPPORTUNITIES

First organised in 1980, CEDA's trademark event, CEDA Dredging Days, has established itself as the primary international dredging conference in the CEDA region (Europe, Middle East and Africa). It is widely considered as an invaluable forum for leading researchers and industry experts to discuss and share dredging challenges, solutions and experiences.

Dredging in marine, estuarine and freshwater environments affects the ecosystem and its associated services to nature and humanity either in a positive or in a negative manner. New insights in the natural processes, in the potential impacts and benefits and new, adapted methods and technologies allow the modern dredging industry to provide sustainable solutions for developing and maintaining essential infrastructure, while securing the continuity of ecosystem services. CEDA Dredging Days 2017 aims to demonstrate the sustainable character of modern dredging projects.

Sponsorship to CEDA Dredging Days 2017 offers a valuable opportunity to be visible to professionals, stakeholders and key players in the dredging and hydraulic construction fields. It also offers the opportunity to associate your brand with this prestigious event and to demonstrate that your company is an active member of the CEDA community.

Sponsorship to CEDA Dredging Days 2017 is open to CEDA Corporate Members.

Coming soon: Watch out for our new CEDA Events App which will offer further exciting opportunities to raise your company's profile at CEDA Dredging Days 2017.

We are pleased to discuss further sponsorship ideas, including the latest opportunities offered by the new mobile app, to suit your needs. For more information or to pledge sponsorship please contact:

Delegate list

€ 500 plus VAT

Your logo on each page of the delegate list

- ¹⁾ The conference final programme booklet will be produced in co-operation with the magazine Dredging and Port Construction (DPC) and will be circulated to all DPC subscribers in advance to the Dredging Days. The booklet will also be handed out to all participants during the conference.
- ²⁾ The CEDA conference bag, lanyard and proceedings include the CEDA logo as part of the text: "CEDA Dredging Days 2017"
- ³⁾ This is a light-hearted and fun breakfast session during which participants will be taken through a series of quick-fire, ice-breaker exercises designed to help them make the most of the networking opportunities at the event. Following the session guided by an experienced facilitator, attendees will leave with a renewed zest for networking.
