

Programme at a glance

Monday 3 June		WODCON XX OPENING CEREMONY Tuesday 4 June	
12:00-19:30 Registration desk (registration hall)			
12:00-18:00 Exhibitors set-up			
19:00-20:30 Ice-breaker: beer tasting discovery sponsored by SeaTools (Grand Hall 1)			
Tuesday 4 June		Congress	
Copper Hall		Silver Hall	
08:00-09:00 Morning coffee – exhibition area		08:00-09:00 Registration desk (registration hall)	
08:00-18:00 Registration desk (registration hall)		09:15-11:15 Opening Ceremony in the Copper Hall (see panel, right), followed by a tour of the exhibition by Kris Peeters	
11:00-11:30 Coffee break sponsored by Brusselle Enterprises – exhibition area		11:30-13:10 Technical session 1 Developments in dredging equipment	
13:10-14:40 Lunch – exhibition area		Technical session 2 WODA Environmental Panel	
14:40-16:00 Technical session 3 Modelling hydraulic transport		14:40-16:00 Technical session 4 Use of dredged sediments	
16:00-16:30 Coffee break sponsored by Brusselle Enterprises – exhibition area		16:00-16:30 Technical session 5 Monitoring the dredging process	
16:30-17:50 Technical session 6 Treatment of sediments /1		16:30-17:50 Technical session 6 Treatment of sediments /1	
19:30-21:00 Welcome reception (Brussels Town Hall)		21:00 Young CEDA Drinks (Le Roy d'Espagne)	
Wednesday 5 June		Congress	
Copper Hall		Silver Hall	
08:30-09:00 Morning coffee – exhibition area		08:30-09:00 Registration desk (registration hall)	
08:30-10:30 Technical session 7 Modelling of dredge pumps		09:00-10:30 Technical session 8 Dredging for navigation	
10:20-10:50 Coffee break – exhibition area		10:50-12:30 Technical session 10 Methods & equipment: case studies	
12:30-14:00 Lunch – exhibition area		12:30-14:00 Technical session 11 ...With nature	
14:00-15:20 Technical session 13 Modelling optimisation of equipment		14:00-15:20 Technical session 14 Treatment of sediments /2	
15:20-15:50 Coffee break – exhibition area		15:20-15:50 Technical session 15 Dredging works in the Westerschelde /1	
15:50-17:10 Technical session 16 Methods, equipment and techniques: dealing with silt		15:50-17:10 Technical session 17 Assessment and monitoring /1	
19:30-22:00 Gala dinner at Autoworld		19:30-22:00 Closing ceremony in Copper Hall (see panel, right)	
Thursday 6 June		Congress	
Copper Hall		Silver Hall	
08:30-09:00 Morning coffee – exhibition area		08:30-09:00 Registration desk (registration hall)	
09:00-10:20 Technical session 19 Optimising the dredging processes		09:00-10:20 Technical session 20 Assessment and monitoring /2	
10:20-10:50 Coffee break – exhibition area		10:50-12:10 Technical session 21 Numerical simulation of dredging processes	
12:10-13:40 Lunch – exhibition area		12:10-13:40 Technical session 22 Assessment and monitoring /3	
13:40-15:00 Technical session 23 Alluvia and deep sea mining		13:40-15:00 Technical session 24 Management and economics	
15:00-15:30 Coffee break – exhibition area		15:00-15:30 Technical session 25 Closing ceremony - Plenary in Copper Hall (see panel, right)	
15:30-16:30 Sigma flood protection plant (meet 08:45 Square Glass entrance)		15:30-16:30 Free evening	
Friday 7 June		Technical visits	
09:00-15:00 Deurganckdock lock, Antwerp (meet 08:45 Square Glass entrance)		09:00-16:00 AMORAS mechanical silt dewatering plant (meet 08:45 Square Glass entrance)	
09:00-16:00 Sigma flood protection plant (meet 08:45 Square Glass entrance)		09:00-16:00 Deurenbeek, chairman, CEO, president hands the reins of WODA to WEDA, organiser of WODCON XXI
